Date 25/06/2021

REPORT 2020-21

This is certified that an association of alumni has been formed in this college. In this organization, a professor of the college is named as the organization in-charge and the president, vice-president, secretary, and co-secretary are nominated from among the alumni. This organization acts as an intermediary between the current students of the college. During the academic session in the college, meetings are called with this organization. The future important action plans are prepared by the organization in-charge, office bearers and other members present in the said meeting, as well as the decisions taken in the meeting are also reviewed. The purpose of meeting review is done by successful and correct implementation of the decisions taken. The register of the meeting of this organization is maintained in the college. No amount has been collected by this organization in the college. is -
